

## Access and Storage of Information

EYFS: 3.69 – 3.72

At **Little Fingers Pre-school** we have an open access policy in relation to accessing information about the pre-school and parents' own children. This policy is subject to the laws relating to data protection and document retention.

Parents are welcome to view the policies and procedures of the pre-school, which govern the way in which the pre-school operates. These may be viewed at any time when the pre-school is open, simply by asking the pre-school manager. or on the pre-school website. The pre-school manager or any other relevant staff member will also explain any policies and procedures to parents or use any other methods to make sure that parents understand these in line with the pre-school's communications policy.

Parents are also welcome to see and contribute to all the records that are kept on their child. However, we must adhere to data protection laws and, where relevant, any guidance from the relevant agencies for child protection.

As we hold personal information about staff and families, we are registered under data protection law with the Information Commissioner's Office. A copy of the certificate can be viewed on the notice board. All parent, child and staff information is stored securely according to the requirements of data protection registration, including details, permissions, certificates and photographic images. We will ensure that staff understand the need to protect the privacy of the children in their care as well as the legal requirements that exist to ensure that information relating to the child is handled in a way that ensures confidentiality.

The pre-school's records and documentation that are required to be kept and stored by current legislation are performed in accordance with minimum legal archiving requirements. We currently archive these records for at least 24 years to ensure we are covered for any child protection concerns.

Pre-school records and documentation that are not required to be kept are deleted or destroyed in line with the current data protection laws and our Privacy Notice which can be **found on the pre-school's website**.

If Parents have a specific deletion or retention request regarding any data that we hold, please raise a query in writing and we will respond formally to your request.

This policy will be reviewed annually and amended according to any change in law/legislation.
