

## Little Fingers Pre-school Risk Assessment - COVID-19

<b>Person responsible</b>	All employees
<b>Assessor</b>	Leanne Shuttleworth
<b>Area</b>	Entire pre-school site
<b>Address</b>	The Gospel Hall, Vernham Dean, Andover, Hampshire SP11 0LD
<b>Date of risk assessment</b>	4th January 2022
<b>Date of previous risk assessment</b>	11th November 2021
<b>Date of review</b>	31st January 2022- <i>or before if necessary</i>
<b>Signed</b>	

- UK Government guidance being followed
- The DfE guidance “Early years and childcare COVID-19 guidance” is being followed
- Compassion and care towards the children will be consistent and in line with our existing policies, pre-COVID-19
- All children and employees of Little Fingers Pre-school are considered to be a “bubble”.
- Record kept of all attendees.
- Children will not be expected to “social distance” but staff, parents/guardians and carers will be expected to adhere to “social distancing guidelines”.
- EYFS staff:child ratios will always be adhered to.
- Parents/guardians and carers (to include a nanny, employed by the family) are able to form a childcare bubble with one other household for the purpose of informal childcare for children aged 13 years and under.

HAZARD	HARM	WHO IS AT RISK	ACTIONS BEING TAKEN TO LOWER RISK / HAZARD	PRE-ACTION RISK LEVEL	POST ACTION RISK LEVEL

All waste produced from a person with symptoms of COVID-19 must be dealt with in accordance with Government guidelines, i.e. kept separately for 72 hours and not immediately placed in general waste.	High	Low
<b>SUSPECTED OR CONFIRMED COVID-19 CASES</b>					
Transmission of the virus from a child or employee displaying symptoms	Spread of COVID-19	Employees, children and family members.	<p>Child or employee sent home and must self isolate in line with NHS guidance.</p> <p>Child showing symptoms must isolate, away from other children and staff with an employee until collected.</p> <p>Employee must be wearing a face mask, face shield, apron and gloves.</p> <p>Isolation area will be thoroughly cleaned once the child has been collected.</p>	High	Medium

			<p>Child or employee to have a COVID-19 test, inform pre-school of results, and not return to pre-school unless the result is negative (proof of test will be required) and once they are well.</p> <p>Parents/guardians/carers to be informed immediately.</p> <p>Pre-school Manager to contact PHE HPT if the symptomatic person is admitted to hospital, or refuses testing, there are a cluster of possible cases/unexpected increase in absenteeism or the possible case has a definite link to a confirmed case.</p> <p>Parents/guardians/carers will be informed immediately.</p>	High	Low
Transmission of the virus from a confirmed case in a child or employee	Spread of COVID-19	Employees, children and family members.	<p>Positive tests will be reported to Ofsted and PHE HPT, by the Pre-school Manager, and advice sought.</p> <p>Individuals may now take LFD tests on day 6 and day 7 of their self-isolation period. Those who receive two negative test results are no longer required to complete 10 full days of self-isolation. The first test must be taken no earlier than day 6 of the self-isolation period and tests must be taken 24 hours apart. This also applies to children under 5, with LFD testing at parental or guardian discretion. If both these test results are negative, and you do not have a high temperature, you may end your self-isolation after the second negative test result and return to the setting from day 7.</p>		

			<p>Anyone who is unable to take LFD tests will need to complete the full 10 day period of self-isolation. The pre-school will follow our Outbreak Management Plan and seek advice from the LA and PHE.</p> <p>People who are fully vaccinated, or children and young people aged between 5 and 18 years and 6 months, identified as a close contact of someone with COVID-19, should take an LFD test every day for seven days and continue to attend their setting as normal, unless they have a positive test result or develop symptoms at any time.</p> <p>Children under 5 are not being advised to take part in daily testing of close contacts. If a child under 5 is a contact of a confirmed case, they are not required to self-isolate and should not start daily testing. If they live in the same household as someone with COVID-19 they should limit their contact with anyone who is at higher risk of severe illness if infected with COVID-19, and arrange to take a PCR test as soon as possible. They can continue to attend the setting while waiting for the PCR result. If the test is positive, they should follow the <a href="#">stay at home: guidance for households with possible or confirmed COVID-19 infection</a>.</p>	High	Medium
Unable to contact parents/guardians or carer if child is displaying symptoms	Spread of COVID-19	Employees, children and family members.	<p>Updated emergency contact details form received.</p> <p>Emergency contact can be contacted.</p>	High	Low
